The customer entitles the person stated below to legally represent him when dealing with PostFinance or the PostFinance Card Center. The authorized person is especially entitled to access the credit card account assets invested at PostFinance in the name of the customer, to request new cards, to cancel existing cards and to provide other legally binding statements. The signatures as well as all declarations submitted and measures taken by the authorized person are binding for the principal. The authorization does not expire if the customer dies, loses the capacity to act or becomes insolvent. It remains in force until PostFinance receives written notice that it should be revoked (article 35 and 405 of the Swiss Code of Obligations). This means that the authorization exists regardless of incongruous or missing entries in public registers (e.g. the commercial register). This power of attorney is exclusively applicable to Swiss law. The place of jurisdiction is based on the statutory provisions. If these are not applied, the sole place of jurisdiction for all proceedings shall be Bern. Bern shall also be the place of performance and place of debt collection for customers who are not resident in Switzerland.
