Product description

Investment consulting plus

As part of the investment consulting plus package, you will receive personalized, ongoing and comprehensive advice, which will enable you to make informed investment decisions.

Your investment needs

You want to keep up to date with market changes and want your customer advisor to provide proactive support in your investment decisions.

The advantages for you

- You benefit from the support of your personal investment advisor, who provides you with investment proposals in line with your chosen investment strategy, which you can also tailor to your needs.
- If there is any deviation from your chosen investment strategy, you will be notified automatically on the following day so that you can update your portfolio directly.
- We offer you an attractive range of investment opportunities consisting exclusively of selected third-party funds and exchange traded funds.
- You set your own personal priorities and choose an investment focus area according to your interests: Switzerland, Global or Sustainability.
