

Product description

Crypto

Buy and sell selected cryptocurrencies independently and with just a few clicks – straight from your account within the secure PostFinance environment.

Your investment needs

You're familiar with digital currencies and would like to invest independently in cryptocurrencies. You do not require any advice on investment.

The advantages for you

- You benefit from a clear range of cryptocurrencies, in addition to transparent and attractive prices.
- You can trade cryptocurrencies anytime and anywhere in e-finance or the PostFinance App, from your private or savings account.
- As a trustworthy Swiss financial institution, we offer you secure access to the crypto market and guarantee secure storage of your cryptocurrencies within Switzerland.
- With a funds saving plan, you can invest small amounts of money in cryptocurrencies on a regular basis.
- You can keep track of your digital assets at all times in e-finance or the PostFinance App.

Disclaimer

This information and these statements are for information purposes only and do not constitute either an invitation to tender, a solicitation, an offer or a recommendation to buy, sell or conclude transactions for any cryptoassets or services or to perform other transactions. This information does not take into consideration the specific or future investment goals, financial or tax situation or particular needs of any specific recipient and is therefore not a suitable basis for investment decisions. We recommend that you familiarize yourself with the technical fundamentals of cryptoassets before purchasing them and to consult your financial and tax advisor before making any investment. The price, value and returns on cryptoassets can fluctuate significantly and may lead to the loss of all capital invested. Investment in cryptoassets is subject to risks and does not guarantee the retention of the capital invested or an increase in value.

All cryptoassets provided by PostFinance Ltd are unavailable to US persons and other persons whose domicile or tax liability is outside of Switzerland and will therefore neither be offered nor sold/provided to them.
