

Intermediary information

of PostFinance Ltd, pursuant to Article 45 of the Insurance Supervisory Act (VAG)

Intermediary company

PostFinance Ltd, Mingerstrasse 20, 3030 Berne (hereinafter PostFinance), acts as the sales partner of TONI Digital Insurance Solutions AG, Seefeldstrasse 5a, 8008 Zürich (hereinafter TONI), and sells motor vehicle insurance products online on their behalf. TONI acts as the tied insurance intermediary for the insurance companies listed below, and PostFinance Ltd acts as the authorized sales partner of TONI.

Class of insurance; insurance company

On behalf of TONI, PostFinance offers you motor vehicle insurance (comprehensive and liability) and other insurance products from Great Lakes Insurance SE, Munich, subsidiary in Cham, Gewerbestrasse 6, 6330 Cham, from the following insurance classes:

- Property insurance
- Liability insurance
- Personal insurance

On behalf of TONI, PostFinance also offers you vehicle legal protection insurance and legal protection for private persons provided by Assista Rechtsschutz AG (hereinafter referred to as Assista), Chemin de Blandonnet 4, 1214 Vernier, as well as a breakdown service (assistance insurance) provided by TAS Versicherungen AG, Chemin de Blandonnet 4, 1214 Vernier.

Contractual relationship

PostFinance has a cooperation agreement with TONI, and TONI has a tied agent agreement with its respective insurance company partners. Both receive commission for each policy sold.

In addition, TONI has a cooperation agreement with Assista Rechtsschutz AG on the one hand and TAS Versicherungen AG on the other. TONI is responsible for the insurance contracts agency services as well as the portfolio management resulting of the cooperation agreement.

Error, negligence, incorrect information

In case of error, negligence or incorrect information with regard to the brokerage of insurance contracts, PostFinance, TONI and the insurance company in question assume liability within the scope of the legal provisions.

Personal data

As intermediary company, TONI collects and processes your relevant personal data in order to prepare offers in connection with an insurance relationship. After concluding an insurance policy, TONI transmits this customer information to the insurance company for the purpose of processing the insurance relationship (see insurance documents). PostFinance also receives your customer data from TONI and processes this data for analysis and marketing purposes (e.g. market research, analysis to improve products and services and to submit individual offers). Personal data is generally stored in electronic and/or paper form.

The user of the application form on the PostFinance website acknowledges and agrees that the data entered and the data collected by PostFinance with the user's consent in order to access the required service will be transmitted to our cooperation partners, in particular for the purpose of brokering an insurance contract. This is necessary in order to be able to use the services on the PostFinance website, and, in particular, to be able to successfully take out a policy with the insurer by brokering it via the PostFinance website.
