

How to keep up to date 24/7

Our account information

With our account information, you can keep up to date with the current status of your business accounts and assets. You can choose whether to receive information via e-finance, mobile phone or a paper statement.

With over 2 million customers, PostFinance Ltd is number 1 in Switzerland for e-finance.

E-finance

E-Finance helps you manage your business accounts completely electronically 24/7.

There are a range of benefits:

- An overview of your accounts and transactions any time, anywhere.
- Account management with electronic account documents (account statement, order documents).
- Further processing, archiving and printing of electronic account documents: PDF format as standard. XML and SWIFT formats for further processing of data in accounting and other programs.
- Information on the latest foreign exchange rates.
- Overview of your fund custody accounts.

E-finance: more than just account information

In e-finance you can process entire payment transactions, change and cancel electronic payment orders even after posting to PostFinance, manage Debit Direct, manage your fund custody account and much more. More information can be found at postfinance.ch/efinance.

You can also have your account statements sent automatically to your fiduciary.

PostFinance App

Easily check your account balance, view the latest bookings, register payments or scan and approve invoices with the PostFinance app. More Information at postfinance.ch/mobile.

Account statements on paper

On request, PostFinance will send you daily statements by post. You can also request periodic notifications and choose to receive account statements either weekly, half-monthly, monthly or quarterly.

Your account statement includes:

- Your current account balance.
- All account transactions: credits, debits, value dates.
- Further information such as delivery dates of orders before holidays etc.

Access your account any time, anywhere:
with the PostFinance App.
