With third-party costs associated with online stock exchange trading

General prices (applicable to all stock exchanges)

Partial execution	No additional costs if the order is executed on the same day and the order is no longer changed (e.g. with a new price limit).
Exercise of warrants and redemption/ conversion of structured products at maturity	The brokerage fees and duties at the respective stock exchange apply. The strike or closing fixed price is decisive for determining the brokerage fee and stamp duty (strike or closing fixed price).
Swiss federal stamp duty	Swiss companies: 0.075%
	Foreign companies: 0.15%
Stock exchange fee	Passing-on of actual costs per stock exchange.
Other third-party costs incurred	Passing-on of effective costs

Foreign taxes and levies (applicable to selected stock exchanges)

UK stamp duty	Passing-on of actual costs per stock exchange (e.g. ISIN begins with GBxxxxx).
French financial transaction tax	Passing-on of actual costs per stock exchange (determination of affected securities by French tax authorities).
Italian financial transaction tax	Passing-on of actual costs per stock exchange (determination of affected securities by Italian tax authorities).
Spanish financial transaction tax	Passing-on of actual costs per stock exchange (determination of affected securities by Spanish tax authorities).
