Disclaimer:

"ISO 2022 readiness" is a functional, procedural classification given to software products by PostFinance in association with software partners. It is explicitly **not** an official "ISO certificate", and no ISO certification bodies are involved in the evaluation process. The ISO 2022 readiness evaluation is merely intended to offer guidance in connection with the preparation of software products for payment transactions as per the new ISO 2022 formats and the specific Implementation Guidelines of the Swiss financial center.

* List is non-exhaustive

All information is based on data from the software partner. Last update: 19. February 2018
