Disclaimer:

“ISO 20022 readiness” is a functional, procedural classification given to software products by PostFinance in association with software partners. It is explicitly **not** an official “ISO certificate”, and no ISO certification bodies are involved in the evaluation process. The ISO 20022 readiness evaluation is merely intended to offer guidance in connection with the preparation of software products for payment transactions as per the new ISO 20022 formats and the specific Implementation Guidelines of the Swiss financial center.
